ARTS-1007

2D & 3D DESIGN

ARTS-1010

PAINTING 2

ARTS-1015

INTRODUCTION TO PHOTOGRAPHY

ARTS-1054

INTERMEDIA

Course Description:

This second year intermediate level course builds on the insights and information obtained in the first year, placing emphasis on concepts and processes. The course takes the form of a series of group and individual projects, each specifically dealing with the links between concept and material definition. The understanding of shifting concepts, process, documentation, installations, painting, narrative, and associative cultural relations is explored.
